**Student Eligibility:** All students in grades 5 and 6 are eligible for recommendation. Advanced 4<sup>th</sup> grade students may be nominated based on your judgment; however, students are selected first from grades 5 and 6, with 4<sup>th</sup> graders considered if the need arises for additional students.

**Participation Requirements:** Only students nominated by their directors will be considered for the Honors String Ensemble. Sponsoring directors must be members of NAFME and are required to attend the meeting and assist with the rehearsal and concert on April 30<sup>th</sup>. If you cannot be available or provide another director as a substitute you should not nominate students. Your NAFME information will be required when you submit your nominations. If you do not have your information or are not a member, please go to the NAFME web site ([nafme.org](http://nafme.org)) for assistance. If you are sending a substitute to the rehearsal, that person must be a member as well.

**Selection:** We will accept at least one student from each school. We will take your first nominee, but due to instrumentation constraints, additional students may not be invited in the order in which you nominated them. Being as honest as possible in regards to the scoring criteria will ensure that all students have the best possible experience. But, in order to fill sections, we may need to take students further down the list.

**Festival Schedule:** Students should arrive at Cinnaminson HS at 8:45am (Entrance is to the left and rear of the main building entrance). Rehearsal is from 9:00am to 12:30pm. There will be a lunch break at 12:30. Lunch will be available to purchase or students may bring their own lunch. The concert will begin at 2:00pm. Tickets will be available during the morning rehearsal and at the door.

**Deadlines:** Online registration and mailing deadlines are listed here.

### **On-line Registration and Recommendation Form:**

The registration form **MUST** be completed on-line in order for you to register your school and recommend students. You must complete **a separate form for each school** in which you teach. The link to the form is on our region web site: [www.sjboda.org](http://www.sjboda.org). Select the Auditions heading and scroll down until you see the Elementary Honors String Ensemble links. Click to open and then complete and submit the form. You cannot partially complete the form and save it; you must submit everything at one time. In preparation for completing the form, you will need your students' names, grade, instrument, their score and comments, and the order in which you plan to nominate them. The form spaces are pre-numbered with boxes for your information. You will also need your NAFME membership information. If you encounter a problem locating or opening the form, you may enter this URL in your browser to reach the form: <https://form.jotform.com/60007621660950>

Once the form has been submitted, you will receive a confirming email listing everything you submitted on your form. If you find that you made an error or need to change something, please send us the information at [sjuditions@gmail.com](mailto:sjuditions@gmail.com) – please do NOT submit a second form or email the festival coordinators.

### **Notification of Acceptance:**

Upon completion of the selection process, we will email to you the information letters, acceptance letters, confirmation forms, and scanned copies of the music for each student. These will be sent to the email address provided by you on the on-line nomination form. Please be sure to enter the email at which you want to receive these materials. NOTE This email must be able to accept several PDFs as attachments. You may need to provide an alternate email as many schools block attachments (gmail.com offers free email and will accept attachments). You will need to print the music and forms for your students. With only one rehearsal it is imperative that students arrive the morning of the concert already being able to play through the music. It is the directors' responsibility to ensure that is the case. Instructions will be included regarding the completion and return of the confirmation forms. You should note that if we do not receive confirmations by March 7<sup>th</sup> we will replace your students to ensure complete instrumentation for the festival.

### **Instructions for Student Recommendation**

**Demand:** The ensemble will be performing grade 1-2 literature. All students should feel comfortable on all strings in first position in the keys of D, G and C (Basses should be able to shift up to high D). They should also be comfortable slurring up to four notes on a bow if needed. If they need assistance with the music, remember that it is the teacher's responsibility to prepare the student for the concert.

**Instrumentation:** In order to provide a balanced ensemble, each school (**note – school, not school district**) may recommend **UP TO TEN STUDENTS**. However, **A MAXIMUM OF FOUR VIOLINS** from each school will be accepted. Students may be recommended on only one instrument. Please pay close attention to the scoring criteria as it is the only way we have to ensure the highest caliber ensemble, and the best possible experience for all students. Due to the large number of recommendations, not every student will be accepted but we will attempt to produce the largest ensemble possible given balance and physical limitations.

**Order of Recommendation:** You should list your strongest player in the first blank, regardless of their instrument; then continue to list your students according to their ability. By accurately listing students in this order, you will be helping us to determine the most qualified choices.

**Scoring:** Score each of your students using the rubric provided. Please be as honest as possible, putting a student in who is not ready is ultimately going to hurt the student most.

Note: Please remember to score as accurately as possible based upon the students' present ability levels (yes, they will improve prior to the concert but so will everyone else). All scoring is done using the rubric below. Consider a 5 to be an average second or third year string student and a 10 as someone who may have just missed the cut for the Junior High Honors Ensemble.

### Scoring Rubric:

#### **Exceptional (Score between 9.0 and 10)**

This student either just missed the cut off for All South Jersey Junior High or is not yet eligible due to age. They likely study privately and have shown exceptional skill. They should have excellent intonation in the keys of D, G and C in first position, and feel comfortable slurring up to four notes on a bow and may already be shifting. They are able to blend within an ensemble and play with expressive characteristics on their instrument including vibrato. Rhythmic accuracy up to sixteenth notes, including syncopation should be exceptional.

#### **Excellent (Score between 8.0 and 8.9)**

This student is comfortable as a lead player in your ensemble and may be studying privately. They should be comfortable in the keys of D, G and C and are comfortable slurring up to four notes on a bow. They are able to blend within an ensemble and demonstrate some expressive characteristics in their playing. Students should also feel comfortable with rhythms up to sixteenth notes, including syncopation.

#### **Very Good (Score between 7.0 and 7.9)**

This student is an extremely solid player within your ensemble and may be studying privately. They should be comfortable in the keys of D, G and C and are able to slur up to four notes on a bow. They are able to blend within an ensemble and are comfortable up to sixteenth note rhythms and are familiar with syncopation and some expressive characteristics.

#### **Good (Score between 6.0 and 6.9)**

This student is an above average player for their age and experience and should have some experience performing in the keys of D, G and C. They should be familiar with slurring and some expressive characteristics. They should also be familiar with how to read rhythms up to sixteenth notes and some syncopation.

#### **Average (Score between 5.0 and 5.9)**

This student is a contributor within their school ensemble and may be able to learn the required repertoire with some assistance. They should have some knowledge of key signatures other than D major, how to slur, and rhythms up to sixteenth notes. Depending on the instrumentation this student should be able to learn the music in the allotted time (6 weeks).

## General Information

Prior to sending the application, please be sure to ensure students availability for the performance and any transportation issues.

Once the selection process is completed, you will receive a confirmation form listing the students who have been selected from your school. Please stress to your students and their parents the importance of this commitment. No-shows affect the quality of the festival. If a selected student is unable to participate, **please notify us immediately at [sjuditions@gmail.com](mailto:sjuditions@gmail.com)** so the seat can be filled. Parts will be assigned and music and confirmation forms will be emailed to you at the address you provided with your registration.

It is extremely important that each student comes to the festival **PREPARED**. With only one rehearsal, it is essential that **parts be learned before the rehearsal day**. Please be sure students are also supplied with extra strings, rosin, endpin anchors, pencils, etc. to avoid problems during the rehearsal. Your help is essential in making this festival successful.

All Directors are expected to participate on the day of the festival and should report at 8:45 AM for job assignments during the festival. Remember, if you recommend students, **you must attend**.

Just a reminder...6th grade students who are accepted into the Region III Junior High String Ensemble are NOT eligible for the elementary festival.

Just a note... in addition to the Elementary Honors String Ensemble, the program will also feature a performance by the Rowan Youth Orchestra.
