**MODIFICATIONS FOR STRINGS:** For Junior High strings – there are two sets of requirements listed on the region web site. The ASIO requirements are in place for those expecting to audition for all state in March; however, there are modified requirements listed for those students who find the all state requirements too challenging. These modifications are for the region December audition ONLY, and students who audition using these modifications will need to prepare the complete all state requirements if they choose to audition for all state in March. Please contact Phil if you need further information on this change.

PERCUSSION NOTE: ALL of the snare drum & traps students will be auditioning in BOTH areas and must register for the Battery audition.

**ALL SCALES FOR ALL INSTRUMENTS MUST BE MEMORIZED!**

SOLO LISTS MAY BE FOUND AT WWW.SJBODA.ORG OR WWW.NJMEA.ORG.

ALL SOLOS ARE TO BE ORIGINALS. PHOTOCOPIES ARE PERMITTED AS LONG AS THE STUDENT ALSO BRINGS AN ORIGINAL INTO THE AUDITION ROOM.

NO CADENZAS WILL BE HEARD ON ANY SOLOS (Only sections clearly marked “Cadenza” will be considered as cadenzas).

**CHAMBER ENSEMBLES:** Students interested in participating in one of the chamber ensembles MUST indicate that on the application. There will be no further application; members will be posted on the web site several days after audition results. The ensembles will be: Woodwind Quintet; Brass Quintet; Percussion Ensemble; Saxophone Quartet; Flute Quartet, Clarinet Ensemble, and Tuba-Euphonium Quartet. Please check the application for rehearsal and performance dates. If you select an ensemble, you MUST participate and attend all rehearsals or you will lose your eligibility for **ALL** Region III and All-State ensembles.

**CHAMBER REMINDER:** *Due to changes that occur in acceptance and seating immediately following auditions, chamber ensembles will not be posted until the Tuesday following auditions. Students MUST be accepted into one of the large ensembles in order to qualify for a chamber ensemble. No student will be permitted to participate in only a chamber ensemble. Also, students who audition on multiple instruments will have the opportunity to list a specific choice for chamber that is different than their major ensemble choice. Please review this with your students as changes will not be made following chamber assignments.*

**DIRECTOR ELIGIBILITY:** Requirements of the director: “The teacher is a member of NAFME. The teacher will attend auditions and serve as an adjudicator, supervisor, or as assigned by the audition chairperson. **The only acceptable substitute shall be a teacher of music who is a member of NAFME, with prior consent of the audition chairperson.** The director endorsing the student and signing the application form is the director who must attend auditions. If a school has no director, the school may request a director from another school to endorse and represent their students at auditions. However, a director may not represent their own school and students from another school unless the director teaches at both schools. Schools sending a substitute director must choose as their representative a director who is not endorsing students from another school. This applies to public school, private school, and home school students.”

Membership in NAFME is required of all directors and their substitutes and must be completed online before completing your form for auditions ([www.nafme.org](http://www.nafme.org)). You will need this membership information in order to complete and submit the audition directors form online.

**PLEASE READ AND REREAD ALL FORMS COMPLETELY BEFORE SIGNING AND MAILING.**
