There are two parts to the application. The first is completed online and contains your personal information and the specific instruments on which you are auditioning. You need to complete *separate applications for each instrument* on which you plan to audition. The link for this is at the end of this letter. Should you have difficulty finding it, your director will have a link to the form.

The second part of the application is the signature form. You will be redirected to this form when you complete your online registration. You will also receive an email confirmation of your online registration containing a link to the signature form, which must be printed and completed. **You only need to submit ONE signature form to cover all instruments on which you are auditioning.** This needs to be returned to your director along with your audition fees of \$10 for each instrument on which you are registering to audition. *Your director's deadline will be earlier than the mailing dates below.* This will complete the application process.
